

H² – Healthier & Happier

The New Normal at Loligo Resort Hua Hin +A Fresh Twist By Let's Sea

An al fresco lifestyle here means you can enjoy sunshine and breeze either from your own balcony or public area around the resort. And when you rest inside your room, you impressively get your own space with individual air-conditioning system, which is sanitized before you check-in. Prior to your arrival the entire room including props and amenities will have been sanitized by hospital grade disinfection product. Furniture and all soft furnishing are sterilized by UVC.

Apart from hygiene standard per GMP, at our restaurant you will also have your personal sharing spoon once the meal is order for sharing. 2-hours unlimited order from the menu for freshly cooked and full service has replaced the risky buffet line during breakfast. Not only does it yield more comfort but also safer than buffet to our guests.

In fact, we apply more than 120 new Health Safety standards in addition to our existing working standards as our New Normal to protect our guests, staff and community from any deceases not only the COVID-19. Let's Sea Hua Hin Al Fresco Resort has satisfied the inspectors from Ministry of Public Health and Tourism Authority of Thailand with high health safety standards including the following cores:

- Contact Precaution
- Contamination Prevention
- Hygiene
- Zoning
- Physical Distancing
- Waste Management

Loligo Resort Hua Hin +A Fresh Twist By Let's Sea is vital to practice safe, hygienic, responsible and sustainable restart of tourism. Your H² - Healthier & Happiness is always our top priorities. According to national and local mandates or guidance, the following must be followed:

- Face mask is required in resort public areas including outdoor corridors, restaurant, bar (except at your dining table, relaxing beach terrace, or sun loungers around the pool.)
- Physical distance in the swimming pool is 4 Sq. M.
- Screening of health risk will be conducted and signed to confirm by guest upon check-in
- Daily temperature check before entering public space. Higher than normal temperature as well as significant symptom of sickness will be referred to hospital
- Certificate of complete vaccination or ATK Test before spa treatments
- Fitness will be used privately by guests staying in a same room for 60 minutes at a time. Longer use is possible if there is no queue after. Ventilation and sanitization thoroughly is conducted at every interval.
- Restaurant service hours as well as alcoholic beverage service in the restaurant may be changed from our regulars due to government advice. Please check for the current regulations via +66 32 900 898 or net@loligoresort.com
